

Hello Christian Brothers and Sisters.

Our email base has become quite large, therefore in an effort to improve our brothers and sisters in keeping up to date on events and connecting with each other, we have decided to create this group email base. This will give everyone the opportunity and ability to get information quicker, post events themselves, interact with our brothers and sisters in Christ, and submit prayer requests. It allows us to connect and contact each other, send group emails to one another, post messages, or any other information that you want to share with the group, with the option of keeping your email address private. For the time being, you will continue to receive the emails at your current email address, however, I am not always able to post your request and be available to get to the internet within a feasible time frame. It is highly recommended you join the Group.

Members only will be able to view and post messages and all members require approval.

Upon requesting to join the group, we will be sending you an email outlining some of the guidelines. Please read all the information we supply.
